

# THE VOICE of Bay Area Mustangs

BAM! is a 501(c)3 Charitable Organization and an MCA Regional Club January-March 2023 Edition

## QUARTERLY NEWS FROM THE BAY AREA MUSTANGS, INC.

*(Article by Tracy Gaschler)*

Looking back, I can say I was very fortunate and getting my Mustang was just meant to be. “My Little Girl”, as I like to call her, became part of my family when I was sixteen. She is my first car, I’m her second owner and I have kept her all these years.

My

high school, the Bonneville sat for years in our driveway. My parents looked into getting the car restored, but unfortunately they were told the car was too rusted and beyond repair.

At that point, at fourteen years old, I realized I also loved the original Mustangs and wished I could find a convertible Mustang as my first car.

parents helped me buy her just as I had started my senior year of high school, before I even had my driver’s license!

Growing up in New Jersey, our family car was a bad-ass 1965 Pontiac Bonneville convertible “land yacht”, which I grew to love. As I got older, I begged my parents to consider letting me have this car when I became of driving age. By the time I started

Where I grew up in NJ, you could easily find an older Mustang for a reasonable price, but convertibles were harder to find. Dunn’s Garage was a used car lot a mile down the street from my parent’s house. My parents had known Harry Dunn for many years and reached out to ask him to be on the lookout for a Mustang convertible for me... *(Continued on page 4)*

*Bay Area Mustangs is a different kind of car club. We are a club where friendships are just as important as our Mustangs and, just like when we maintain our Mustangs, a little effort goes a long way. We treat each other with old fashioned respect, and we are each accountable for our actions. Our members agree that kindness and courtesy are the hallmark of a fun and welcoming environment. Come join us.*

## From the Newsroom ...

By the Editor

Happy 1st Quarter of 2023!

If this newsletter looks different it is because we have gone from a monthly newsletter to a quarterly newsletter.

The Board of Directors made this decision due to the amount of work that goes into running a club. Hopefully, as our group of Board Members and volunteers continues to grow, the work can

be dispersed, and we might be helped out in 2022. Your able to get back to a monthly contributions to BAM! newsletter. are appreciated beyond measure.

So if you are interested in helping Already we made friends, with any of the club functions, or well, and laughed a lot together. volunteering a helping hand, My new years wish is that every please let me know. BAM! member continues to have fun at our various activities.

We already have so many great people that are pitching in in Your laughter and support make wonderful ways. I want to the hard work worthwhile! So please personally thank everyone who thank you!

*My dad is a lawyer. On New Year's Eve he always calls me to wish me, but in no way guarantees me, a Happy New Year.*

*- Marbles Madcap, Apprentice Reporter*

## 2023 Membership Drive

### NICE RIDE!

WANNA HAVE SOME  
FUN WITH YOUR

M U S T A N G

TURN CARD OVER TO  
LEARN MORE ABOUT

Bay Area  
Mustangs

**Admired by**

Write your  
name here!

How would you like a membership perk while helping to grow our BAM! membership? Yes, we thought you'd like the idea. By bringing in new members, here are some of the perks now available:

- |                   |   |
|-------------------|---|
| 1 New Membership  | Gift Card for one free pretzel appetizer at Ford's Garage! (or equivalent gift) |
| 3 New Memberships | Your choice of one BAM! Hat or one BAM! T-Shirt                                 |
| 5 New Memberships | One free BAM! membership renewal!   |

New members just need to list your name on the membership application, as the person that told them about the club, and you'll get credit toward this membership drive. So invite your friends and fellow Mustang Enthusiasts. Another way to grow our membership is through use of our "Nice Ride!" cards. You can pick some up at our next event. Keep them in your pocket, and when you see a nice Mustang, leave this card on their window ... But remember to write your name on the card!

*Will you be the one with bragging rights this year?*

Two years later, Harry parked a beautiful 1966 Mustang convertible out on his front lot just before closing on a Saturday night. He knew putting the car out there all weekend would get a lot of interest.

The next afternoon, my friend picked me up and said, “let’s go for a ride!” She drove me past Harry’s used car lot, where I saw the Mustang parked out front.

My friend knew how much I wanted to find a convertible Mustang, and when I got out of her car -- it was love at first sight!

When I got home, I ran up the stairs, interrupting my parents talking at the kitchen table. I had to tell them I found MY car. My mom laughed because my parents just happened to be discussing the same car! My mom saw the Mustang on her way home from Bingo, when there were a lot of people standing around looking at the car.

Mom told me she was a little mad since Harry promised her two years earlier he’d look for a Mustang for me, but never called them about the car. Luckily, she had his home number and called him that

Sunday night. Harry Dunn remembered my parents request and promised my mom he would open early on Monday for her to look at the car.

So, on September 26, 1983, my mom went early and took a test drive. She put down a ten dollar deposit until she could get to the bank later in the day. As mom signed the papers, my father’s boss walked into the office with cash to buy the Mustang -- only to find that the car was sold! OOPS!

Later that week “My Little Girl” came home and I have had her ever since. My car, just like me, was born in 1966. She was in her original condition with only 29,000 miles. That year, it snowed just about every other day and my parents made me wait until spring when the weather improved.

This meant I only got to drive my car to high school for 7 weeks. The only work I ever needed on her back then was four new tires and a radiator, along with that the usual oil change and routine maintenance. She was my daily driver from 1984 to 1990 and while in NJ, I made several trips with her driving down to the Jersey shore.

*(Continued on Page 5)*

## A Pony’s Tale

*(Continued from Page 1)*

“My Little Girl” was built in Metuchen, NJ, only 10 miles from where I grew up. She has a 200ci straight 6 automatic transmission, Ivy Green Metallic with Parchment interior and came standard with bench seats - only 3,190 convertibles manufactured with bench seats in 1966.

I love my car because its different and unique from everyone else’s. The previous owner had the rear springs altered, adding another leaf so the car sits level ... many people notice that right away.

I joined the North Jersey Mustang Club (NJMC) and met many more enthusiasts like me! My car was featured in several parades and car shows while in NJ. In 1989, I was able to attend the 25<sup>th</sup> Mustang Anniversary Celebration in Flushing Meadows, NY and got to meet Lee Iacocca.

The party was only for people who arrived in their Mustang’s and I attended with other members of NJMC.

By 1993, my husband and I moved to Florida and our new home construction was completed in 1994. The following year, my parents hauled my Mustang the 1,100 miles from NJ to welcome her to her new home.

By 1996, I had my Mustang completely restored by Stu Rogers at Cal Roberts Auto Body in Seminole, FL. He worked on the car for over a year and completed an entire frame up restoration. I wanted to keep her as original as possible.

I enjoyed my car up until my daughter came along in 2000. By then, I pretty much stopped taking the car out because it had no seat belts. So “My Little Girl” sat for seventeen years, covered and kept in the garage.

*(Continued on Page 6)*

## A Pony’s Tale

*(Continued from Page 4)*

## A Pony's Tale

(Continued from Page 5)

Everyone would bug me about letting it just sit there and asked when I would get it back on the road. Finally in 2017, I was able to find someone who meticulously went through every detail of the

car and got my Mustang back up and running. This time I had seatbelts added. The first ride I took was with my daughter Rebecca – a recent UCF graduate.

I have worked in the IT field for over thirty-five years, specializing in EDI and Cloud Services. I currently work as a Lead Cloud Service Manager at OpenText and I have been with the company for twenty-three years. When not at work, I enjoy baking, going to concerts, traveling and spending time with family and friends.

I joined BAM! in its inaugural year and I enjoy the fun times we have at the gatherings and events. I prefer attending local cruise-ins and meeting other Mustang enthusiasts.

Even after owning “My Little Girl” for nearly forty years, I still feel like a kid when I take her out. I’ve had so many great memories growing up with my Mustang.

## *From the Driver's Seat...*

# *The Voice* *features*

Happy New Year to all Bay Area Mustang (BAM!) members and friends. Since this is my first President's message of the year, I want to wish you all a Happy New Year and I hope that all of you had a great holiday season with your family and friends. Since 2022 was still a recovery year for all of us, I am sure we are all happy to see the beginning of 2023 and hope for a better year.

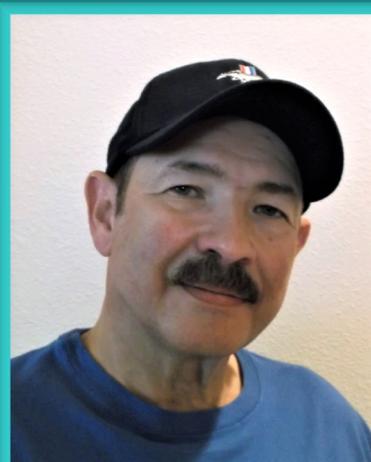

I still cannot believe how quick a year has gone by. BAM! has come a long way in just two short years. We have been recognized by Mustang Club of America as an MCA Regional Club. This announcement was made at the MCA Board meeting that was held in Kissimmee last year. This year we are working on getting the prestigious Mustang Club of America President's Award. Starting a new club is not easy and it takes a lot of hard work, time, dedication and commitment and I am so proud of our Board Members for accepting the challenge. I'm honored to be working with a talented group of people. Everyone is motivated and excited to make BAM! a successful Club. Without them we could not even think about starting a new Mustang club. Each Board Member brings their own expertise to the Club and I would like to thank them for their outstanding contribution.

Our goal is to join people together who love and appreciate their Mustangs and their friendships. Again, we just want to have FUN! Talking about fun, on Saturday, December 17<sup>th</sup> the Bay Area Mustangs Club (BAM!) celebrated our 3rd annual Night Lights of Christmas Cruise. We were invited by one of our BAM! members, Roberta & Derrell Fitzgerald, to their home to enjoy their huge display of Christmas lights. We met at Ford's Garage for dinner and then cruised to their house. Once there we enjoyed the beautiful display of Christmas lights, snacked on desserts and played games. We had a lot of FUN! Thanks Roberta and Derrell for sharing your home and beautiful Christmas lights display with BAM! members.

As for past event, we had our BAM! Gathering on Thursday, January 5th. We had a good turnout. I want to thank our Guest Speaker, Dave Pfister, from Steetside Classics. Steetside Classics is a car dealer specializing in the consignment, purchase, and sale of classic and collectable cars to a network of qualified buyers and sellers. They sell over 3,000 vehicles each year. Streetside Classics is the top classic car dealer in the United States by sales volume across six locations. Thanks, Robbie Polo, for making the arrangements with Streetside Classics and congratulations on selling your Shelby GT500.

One of the many things that I'm proud of with BAM! is that it's a charitable organization. This year we presented Saint Jude Children's Hospital with a check for \$2,500. This donation was possible as a result of the Mustang Madness Car Show held at Parks Ford.

*(Continued on Page 8)*

### ***WHY CHOOSE BAM?***

*For starters, because you want to have fun. You want to have fun with friends. You want to have fun with friends who also love Mustangs! What more could you ask for?*

*You might ask for a large choice in activities, great sponsors, games and plenty of entertainment.*

*You certainly will get all of this with BAM!*

## From the Driver's Seat...

(Continued from Page 7)

I want to say thanks to Melinda Morales, our Newsletter Editor, for putting together a BAM! Newsletter. As part of a Board discussion, we have decided to have a quarterly newsletter. This should help Melinda with the workload. Our BAM Newsletter has a lot of informative information about our club past events, upcoming events and membership spotlight. Please support her by giving her articles, information on events or a nice article or story of your Mustang. Also, let her know how much you appreciate reading her Newsletter. It's not easy putting out a 22-24-page Newsletter regularly. Gee, I have a hard time just doing a one-page President's Message, I can't imagine doing a whole Newsletter!

In closing, I want to thank BAM! members for the support that you have given me. I have met some wonderful people through many local Club's and made some lifetime friendships that will remain with me forever. I am looking forward to another exciting and successful year in the hobby with BAM! Finally, a very special thanks to Parks Ford, Shane Norsworthy, and Ford's Garage, Nick Lee, for their support of BAM! We are lucky to have such awesome club sponsors. I also want to thank our Board of Directors for their hard work in organizing, planning and promoting our BAM! events. Thank you, all, for an outstanding job. See you all Thursday, February 2nd at Ford's Garage for our monthly Gathering. BAM!

Frank Morales, President, Bay Area Mustangs (BAM!)

## XSteeda Q850 Streetfighter Debuts as Beefed Up Mustang GT

In recent months, long-time tuner Steeda has launched a number of new products for the Ford Mustang, including a catback exhaust system and MagneRide controller, as well as the SSV police pursuit model. Now, it has something even bigger up its proverbial sleeve – the brand new Steeda Q850 StreetFighter, which is a supremely powerful and appropriate send-off for the S550-generation Mustang GT that offers up stellar performance, to boot.

The Steeda Q850 StreetFighter is actually the most capable road-going car that particular company has ever built and sold to the public, with the bulk of that coming from a Steeda/Whipple 3.0L Stage 2 supercharger system, along with a high-flow cold-air intake and a unique PCM calibration, which helps the pony car's Ford 5.0L V8 Coyote engine crank out an impressive 825 horsepower and 640 pound-feet of torque, which will reportedly propel it from 0-60 miles-per-hour in 3.1 seconds, to 100 mph in 10 seconds, and down the quarter-mile in 10.23 seconds at 146 mph.

Customers can opt for either a six-speed manual transmission – which is treated to a Steeda Tri-Ax shifter and clutch spring assist and spring perch kit upgrade – or 10-speed automatic. Steeda didn't leave the Mustang GT's suspension alone either, instead treating it to a laundry list of upgrades including its own dual-rate springs, sway bars, sway bar mounts, IRS bushings, adjustable rear toe links, aluminum vertical links, bump steer kit, G-Trac K-member and IRS support braces, camber plates, subframe alignment, and performance wheel alignment.

The Steeda Q850 StreetFighter is pretty easy to distinguish from regular Mustang GT models thanks to Steeda graphics and badging, an aerodynamic front fascia enhancement package, rear spoiler, Q-Series hood blackout treatment, and 20-inch McQueen Racing Wheels by Steeda wrapped with Nitto NT555 G2 tires. Inside the cabin, the special pony car has been treated to StreetFighter door sill plates and dashboard emblem.

Pricing for the Steeda Q850 StreetFighter starts out at \$34,995 – minus the donor vehicle – though a host of additional, optional upgrades are also available, such as an upgraded cooling package, slotted two-piece brake rotors, a roll cage, rear seat delete, and different wheels. For those looking for the ultimate version of the current-gen pony car, well, it's certainly a compelling option, if nothing else, and those interested in reserving one can do so by heading over here.

Our 2022 Christmas Party was definitely one for the memory books! What a great turnout we had. First we met at Ford's Garage for dinner, then we cruised over to Roberta and Darrell Fitzgerald's house to enjoy the Christmas Lights. These aren't just any lights, these are lights and displays all over the property that draw neighbors and strangers alike to wander around and enjoy the Christmas spirit come to life! This display makes it in the local newspapers as a must-see event for the holidays. In addition to the lights we had snacks and goodies, games and gifts, and some special "holiday spirit" of our own, courtesy of Fireball Frank and Tony Marcano. I don't think I've ever seen so much laughter and fun surrounding me. I can't wait until next year's Christmas Party!

## Ford's Garage of Wesley Chapel Welcomes You!

Ford's Garage is your neighborhood burger and beer joint, where everyone is welcome, especially BAM! members! Ford's Garage will give you the vibe of being in a 1920's service station to include vintage Ford vehicles, gas pumps, and fixtures. We are a gourmet burger bar serving up the finest varieties of Black Angus Beef, Turkey, Chicken, and Vegetarian products coupled with all-natural aged cheeses and gourmet toppings. We also specialize in popular American comfort food entrees. Lighter fare is also available as we also serve fresh salads, grilled chicken, and fresh fish. Our Burgers of Fame give honor and recognition to many of our local celebrities, keeping our connection to the communities we so much appreciate. Discounts on dinner provided to BAM! members at our monthly Gatherings!
